The Honorable James L. Robart

## UNITED STATES DISTRICT COURT FOR THE WESTERN DISTRICT OF WASHINGTON AT SEATTLE

Grace Galloway, Andy Lesko, and Brenda Shoss, individually and on behalf of all others similarly situated,

Plaintiffs.

v.

VALVE CORPORATION, a Washington corporation,

Defendant.

Case No. 2:16-cv-01941-JLR

STIPULATED MOTION TO EXTEND CASE DEADLINES

**NOTE ON MOTION CALENDAR:** May 24, 2021

## I. <u>RELIEF REQUESTED</u>

The Court entered a Scheduling Order on March 2, 2021 (Dkt. #81), setting May 28, 2021 as the deadline to complete fact discovery related to class certification. Although the parties have been diligently working to conduct discovery and resolve disputes that have arisen without Court intervention, the parties do not believe that discovery can be completed before the current deadline. The parties therefore respectfully request that the Court extend the current case deadlines by 60 days to allow the parties additional time to complete discovery before

exchanging expert reports, conducting expert discovery, and briefing Plaintiffs' Motion for Class Certification.

## II. <u>STIPULATED MOTION</u>

Under Federal Rule of Civil Procedure 16(b)(4), the Court may modify the case schedule on a showing of good cause.

Here, the parties agree that good cause exists to extend the current case deadlines by 60 days. The parties have been actively working to complete discovery before the current deadline. Both parties have served discovery requests, provided written responses, and produced documents. Plaintiffs also deposed three Valve witnesses. Valve originally noted depositions of the named Plaintiffs and their children, but those depositions needed to be postponed because Valve has not yet received complete document productions from Plaintiffs. The parties have also been working together to try to resolve discovery disputes that have arisen without Court involvement.

Although the parties have been actively working to complete discovery, they will need additional time to fully complete discovery, including depositions, and to continue to attempt to resolve discovery disputes without Court involvement. The requested extension will not affect the trial date because a trial date has not yet been set for this case. *See* Dkt. #81 at 2. The parties further agree that neither party will be prejudiced by the requested extension. The parties' request is not made for the purpose of improper delay or to burden the Court.

Accordingly, the parties respectfully request that the Court extend the case deadlines to reflect the following proposed dates:

Deadline to complete fact discovery related to class certification	May 28, 2021	July 27, 2021
